ABOUT OTTAWA FESTIVALS

Ottawa is a world-class destination for festivals, special events and fairs. Often referred to as "Canada's Festival Capital", it is home to many world-renowned events, as well as a breadth of cultural, arts, heritage, sporting and ethnic celebrations. Ottawa Festivals is a not-for-profit organization that represents more than 50 not-for-profit festivals, special events and fairs that take place in Canada's Capital Region. In partnership with the City of Ottawa, Employment Ontario and the Ontario Trillium Foundation, the organization manages a number of programs on behalf of the industry.
